

About us

The Discovery Academy is a youth development program providing quality programming that highlights the strength of Green River College and their partner in community education, Highline College. This program focuses on utilizing individual strengths while leveraging combined resources, outreach potential, and advertising dollars to serve the widest net of our South Sound Community.

The Discovery Academy has the potential to engage future students at an early and pivotal time in educational development, and build a relationship with both individuals, and their communities on the cusp of post-secondary education. Work is done through integrated and collaborative approach with other community educators, community partners, faculty and administrative departments.

Community education through community partnership is the core of what we do, and our program will grow by providing greater access to the community for educational opportunities in accordance to our core values and mission.

What we are offering in 2024:

6 weeks of camp, with two camps being offered each week.

- MaST (Sound Science)
- Law & Order Camp
- Robotics Camp
- Aviation
- STEAM

Camps are divided into two age groups:

- Exiting* 3rd - 5th graders
- Exiting* 6th - 9th graders

Sign up for priority access AND a 10% discount when registration opens on April 4th.

Click the QR code to go directly to the site.

*Exiting means the grade that the student completed as of June 2024.

Vision and Goals

Providing quality educational experiences to pre-college students with the goal of combatting COVID and summer learning loss, and introducing young people to the college landscape. This program has a focused approach on fun project-based learning experiences, and engaging curriculum, designed by faculty and community partners that are experts in their field.

Summer Camp Dates

Week 1: July 15-18

Week 2: July 22-25

Week 3: July 29-Aug 1

Week 4: Aug 5-8

Week 5: Aug 12-15

Week 6: Aug 19-22

All weeks are Monday - Thursday
